Subject: RE: Wilcox Oil--Marathon Oil

Marvin,

I left you a voicemail, but also wanted to send an email to clear up the misconception that we are not willing to enter into good faith negotiations on this matter. Rather we would like to understand further why EPA believes Marathon Oil Company to be a PRP with respect to the site. We were not provided with any evidence that we owned or operated the refineries that appear to have caused the contamination. We would like to have a call with you to discuss this. Are you available for a call this coming week?

In addition, as stated in our letter of September 12, we are still determining whether Marathon Oil or Marathon Petroleum should be corresponding with EPA on this matter.

Thanks,
Kim White

Ms. White:

Please ignore the email that was sent to you.
It was sent in error.

We did receive Ms. Skiba's response on
that Marathon was not willing to participate
in good-faith negotiations.

Subject: RE: Wilcox Oil---EPA's Response to Marathon's Extension Request

Marvin,

I believe there is a mix-up. Lindsay Brown is not associated with Marathon Oil and the attached letter appears to be for Sunoco to receive an extension rather than Marathon Oil. I believe you received our letter regarding the Wilcox site on September 12.

Thank you,
Kim
